

# TOUCHPAC FULL

# TOUCH SEARCH STATION

## **CUSTOM SEARCH CAPABILITIES AT THE TOUCH OF A FINGER**

- Help your patrons and the materials they want right where they need it, without the clutter of a desk/counter, keyboard, or mouse
- Web-configured KioBrowser™ software effectively locks down the system, allowing patrons to access only authorized catalogs, services, and web pages
- Features a 19" zero bezel, dual-touch LCD monitor with a "designed for touch" rugged enclosure that has a tablet look and feel and is fully warranted for 3 years
- Complete Windows-based system with dual-core processor, 4GB RAM, solid state drive, 10/100/1000 Mbps ethernet and/or 802.11 b/g/n wireless networking and is warranted for 2 years
- Custom mounting bracket allows for placement on virtually any solid vertical surface and is warranted for life
- Monitor Dimensions: 17.2" x 14.6" x 2.9" (438.0 mm x 370.0 mm x 74.7 mm)
- Mounting bracket angles monitor to protrude approximately 4" at the bottom
- Weight: 16 lbs
